### Winterization Services 2024

With cooler weather quickly approaching, we are proud to present our winterization and maintenance program for 2024.

This is the perfect opportunity to have your yearly maintenance completed and at the same time have your boat protected from the damaging elements of Winter.

**IMPORTANT NOTE - As always, our goal is to deliver exceptional service to all our customers. Regrettably, due to boating's continued popularity growth, we fully expect to have to turn some existing customers away this year due to limited resources. We strongly encourage you to return your completed paperwork to reserve your appointment today.**

**We may also have to limit services available in the Spring to expedite launches. If you need services performed and preventative maintenance done, we strongly recommend to do these services now or over the winter months. Please discuss with our Service Team now for details.**

Please review the information below to insure your boat is serviced the way you like.

1. Please take the time to complete this menu so we are aware of what you would like done to your boat. We won't perform any work unless authorized.
2. If you would like to store your boat in addition to winterizing it, please complete our Winter Storage Menu also.
3. Please let us know when you are done using your boat. We would like to schedule your service as soon as possible to minimize the risk of storms or cold if you are not using the boat. **Your boat must arrive for service prior to 12/20/24.**
4. Please be aware that we have limited space and resources available. Work will be scheduled on a "first come - first served" basis. Waterfront does reserve the right to decline services on certain vessels.
5. Please be aware that payment for services rendered is due upon completion of the services. Any past due accounts must be settled prior to scheduling service. If you have any questions, please contact our service department prior to scheduling.
6. Your signature is required on this and all work orders. We are obligated by the New Jersey Fair Water Craft Act to have a signed work order prior to performing work on your boat.
7. Please call for your confirmation number after faxing a completed form to us to insure we received it.

### Terms and Conditions

- 1. All boats must be picked up within one week of completed work notification or Waterfront will consider the boat here for the winter and charge winter storage accordingly. All boats must be removed from winter storage by 6/1/25 or will incur a fee of \$20 @ day for storage. Waterfront reserves the right to transport and re-block at additional charge.
- 2. Our winterization process is to protect the boat from freezing for a season. Please communicate with us if you require longer term protection.
- 3. Boats are completed on a "first come - first served" basis. We winterize hundreds of boats and there will likely be a lag time between your drop off and our winterization. Waterfront will not be responsible for freeze damage on boats not yet winterized prior to the first freeze. Please plan accordingly.
- 4. Outside vendors are not permitted without prior written consent from Waterfront Marine. Owners are limited to cosmetic upkeep due to increasingly challenging environmental and insurance constraints.
- 5. Owner agrees to maintain appropriate insurance to protect against fire, wind storm, snow storm, ice storm, collision, hurricane, liability, fire, theft, freeze damage, vandalism, or any other loss. Waterfront is not in any way an insurer of the owners property, family, guests, or invites. Waterfront is not liable for injury, loss of life, property damage or loss of use.
- 6. Waterfront is not responsible for damage to structurally unsound craft.
- 7. Waterfront reserves the right to not accept certain boats for services.
- 8. Personal belongings must be removed prior to service as Waterfront is not responsible for loss, theft or damage of any personal property, accessories, electronics, canvas, tackle, furniture, supplies, or any valuables left aboard.
- 9. In the event of litigation, all fees are the responsibility of the boat owner.
- 10. All prior outstanding balances must be paid prior to work being performed. Payment is due at time of service rendered.
